RE: Notice of name change: Dude Solutions, Inc.

Ms. Hurst,

We are pleased to inform you that Dude Solutions, Inc. has changed its name to Brightly Software, Inc. ("Brightly") effective March 8, 2022. This rebranding will not affect or delay any current orders or in-process transactions. However, from March 8, 2022, we will be using the Brightly name for our official purposes. Brightly will continue to honor the terms of the awarded bid for #020-D Facility Management Software as stated in the contracts awarded to us by AEPA Member Agencies under our former name.

Brightly appreciates our continued relationship. If you have any questions regarding the name change, please contact Melissa Buchanan at melissa.buchanan@brightlysoftware.com.

Sincerely,

DocuSigned by:
